We came to check the situation of all families and can see almost of them have good result.

1. Nguyễn Thị Phương Hoa 50BFA: They buy 3 pigs with the cost is 3,5 milion. The money left they used to buy food for pig. Now all the weight of pig is 70kg and they will sell them in next month. After selling they will buy some new ones.
2. Lê Ngọc Quang 25BFA: They borrow 5 milion and bought a cow with cost is 5 milion (baby cow). They also got 1 pig (extra support) and now the mother pig has 13 babies. Quang mother intend to sell all babies to get money and then they will make a new house for pig and cow.
3. Đỗ Thị Nguyệt 21FBB: They want to have a cow but not enough money so when they borrowed MCL they bought 2 pig. Beside that they have 1 pig for extra support. Now they sold all pig ad have 10 milion. They save it and wait SP money until enough to buy a cow.

4. Đỗ Văn Hiếu: They used money to buy 3 pigs and they will sell it two next month. They also want to save to buy cow.
5. Phan Trung Anh 41FBB: The first they want to buy some pigs but after that they have changed the idea. They buy 80 chickens and some money left to use the house of chicken and pig.
6. Phạm Đức Quang 35BFA: They bought 2 pig and one of them is mother pig. Two last month mother pig died when she has baby so they have to sold the mother pig and get 2 milion. He use money to buy 100 chicken but last month almost of chicken died by disease.
7. Phạm Ngọc Ánh 14FBB: They bought 200 chicken but two last month 120 chicken died buy disease.
8. Nguyễn Thị Phương Nhi 1FBB:  
They bought 6 pigs and will sell all them next month. When they get money they will buy pigs.
9. Nguyễn Thị Hồng Dịu : They bought 2 pigs and one is mother pig and some chicken.
